1st verse

Keep it simple Cupid.

My heart is kina stupid.

I keep payin' for your mistakes

I don't know why I do it. *To*

Chorus

2nd verse

Keep it straight and narrow

When you release that arrow.

Aim for love, get me a dove

Not a hawk with an eye for sparrows. *To*

Chorus

3rd verse

Keep me right on time

Arrivin' at Cloud Nine.

Not too soon or late for my soul-
mate

To find this heart of mine. *To*

Chorus

Chorus

Let me get that home-run,

Make the winning touch-down,

Do a lap with the checkered flag,

Cupid, "Close don't count!"

Bridge

Note Repeat First verse after 3rd

When it comes to me,

You got a history

Of bein' off the mark

And Robin Hood,

That's not so good

When you're aimin' for the heart.
